SUBJECT: Task Order No. 6, Contract No.

25X1

It is requested that the expiration date for subject Task Order be extended to 2 August 1959, to permit the payment of lagging charges. Contractor advises that the charges incurred after the expiration date were necessary to permit the completion of the Final Report, plus the subsequent rework and modification of previously delivered Power Supplies.

The above extension can be accomplished at no increase in estimated cost or fixed fee.
